### Notes from the Deputy Grand Knight

I would like to express my sincere thanks to all the volunteer Knights who participated in the recent Knight of Rock event at Mixon Farms. All of the knights who showed up and helped with Parking, Entry control, Light and Sound, and of Course Peg Cotter with Autographs, made this event possible. The cold and windy weather sure did hamper our efforts to fill the coffer but the event was set up for, and could have easily handled upwards of 800 or more guests, thanks to you the volunteers! And, thanks to all the Knights who showed up as spectators! Thanks for your support. Our Grand Knight, trustees, District Deputy, and many others braved the cold, thank you.

Our Grand knight will be working on a committee to discuss the event and possible plan for another annual Knight of Rock. This committee should be comprised of Knights from all of our manatee county area council's because proceeds of this event serve families throughout Manatee county. Also, the planning and activities required to gain adequate community support will require the dedication of many Knights to reach out to are business and organizations that wish to help and cloth the needy families around us. If you wish to be part of this follow up, and future event planning committee meeting, please speak directly with Grand Knight Jim Vanderhorst. Or, pick up your sword and lead this fight yourself, with GK Jims Blessing of course. This could be the start of a strong program of community charitable work, but not without adequate number knights from our area councils to make it happen.

There were many extra event programs listing all of our supporters. They'll will be available in the council hall for members to review, take home and see who made donations as a sponsor directly to catholic charities. Catholic Charities was a key player with excellent Public Relations support, along with graphic art professionals to put together the programs, event banner, and a variety of other related PR products. A special thanks to Peter Routsis-Arroyo, Judy Bokorney, and Linda Whitacre, the CEO and staff there at Diocese of Venice.

Thank you and good Knight!

Vivat Jesus

## Changing Needs through Different Stages of Life

The beginning of a new year is often a time of reflection for many people. Have we been good stewards of the time God has given us? How will we change or improve our lives as we head into another new year?

With regard to finances, you may have a long-range expense for which you are saving, such as college education for your children. You may be concerned about a comfortable, worry-free retirement. You may want to protect your ability to earn a living. You may wonder if needing costly long-term care will deplete your hard-earned assets. You may want to have something to leave behind for your wife, children, or grandchildren.

At some point, you may have had all of these needs on your mind. Over time, these thoughts make way for others as your needs evolve, your finances change, and you get older. What is important to you at age 20 may not be at 30, 45, or 65. What is the best way to be prepared for these changes before they happen?

One of the easiest ways to be financially ready for changes that come with different life stages is to meet frequently with me, your professional Knights of Columbus agent, to address the needs that our analysis uncovers. This can help you be ready to face the financial challenges and issues on the road ahead.

During that visit, I'll take the time to review your needs, goals, and budget. I'll make sure your coverage meets your needs. I'll recommend a programme of life insurance, long-term care, disability income insurance, and guaranteed retirement products that will help you sleep well at night.

Whatever your needs, whatever your concerns, whatever your stage in life, I can help. Contact me today to learn more.

You can reach me at (941) 923-7912 or via E-mail at [Frank.Burns@kofc.org](mailto:Frank.Burns@kofc.org).
