## Facts About Life Insurance

September is Life Insurance Awareness Month. No, I'm not making that up – everything else gets its own month, so why not life insurance? To help educate consumers about the need for and value of adequate life insurance protection, the Life Insurance Market Research Association (LIMRA) has published the following five facts. These statistics are certainly worth considering.

**Fact 1:** Nearly 75 percent of North Americans agree that life insurance is the best way to protect against premature death of the primary wage earner.

**Fact 2:** Twenty-four million households have no life insurance protection at all. Almost one third of adults have no life insurance protection.

**Fact 3:** Forty-four percent of all households either don't own life insurance and believe they should, or they own life insurance and believe they need more. Among those that already own some life insurance, 40

percent believe they don't have enough.

**Fact 4:** One-fourth of primary wage earners feel they do not have a plan in place to provide a decent standard of living for their family if they died tomorrow. Twelve percent of families would immediately have trouble meeting everyday living expenses, and another 15 percent would have difficulty keeping up after several months.

**Fact 5:** People would like to discuss life insurance with a qualified professional agent. They believe that buying life insurance is an important and complex financial decision. Half find it difficult to decide how much to buy, and 43 percent worry about making the wrong decision.

I'd like to meet with you in your home, at your convenience. I'll work with you to make sure your family is protected. As a Brother Knight you can trust, I'll take the stress and worry out of this important decision.

You can reach me at (941) 923-7912 or via E-mail at [Frank.Burns@kofc.org](mailto:Frank.Burns@kofc.org).

## Grand Knight Report October 2016

Worthy Brothers,

I thank you for your vote of confidence and voting me in as your Grand Knight. I have worked hard for the Knights and I will continue doing so far as long as I am capable. At times it appears as if I bit into more than I could chew, but with time, your support, and guidance I will continue to learn all that I need to know and do to make us successful and continue providing service to the community. We are blessed with a slate of hard working and capable officers, what is so exceptional is that they have stepped up to the plate and have shown their willingness to learn new things (Programs) that Supreme is sending our way. It appears as if Supreme Knight Carl Anderson is listing to Pope Frances, with the amount of Spiritual programs coming our way to promote spiritual gotten older, growth.

As I have gotten older, I don't feel as if I am a senior citizen yet, mostly I feel as if I was a happy man with many friends with some bumps in the road, to remind me that I am getting older.

The St. Joseph Council is alive and kicking, we have much to accomplish, and I will need help from every one of our members if we are to be successful. I am not saying that I want everyone to attend all the meetings and events, that would be unrealistic, what I am saying is we need our members to support us as much they are able. The number of hours needed I hear is 24 hours per year, used up in one to two hours increments. We have over two hundred members if each member put in their 24 hours just think what we would accomplish.

Father McGiviney, Pray for us!

Vivat Jesus,

James Vanderhorst G.K.
