The Value of Life Insurance for Children

As a parent, you worry about your children and do many things to protect them. We try to raise them right and make sure they are prepared to enter the world. But have you ever thought about buying life insurance for your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults gets rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus, it guarantees that your child will be able to obtain additional insurance in the future at preferred rates through the Knights of Columbus without having to prove that he or she is in good health. Unfortunately, as parents we don't have a crystal ball to tell us the future for our children. Your child might one day suffer from a rare disease, cancer, obesity, a disability, or even just an accident.

I've heard it said that people don't want to profit from the death of a child, so they won't purchase coverage for their children. God forbid, but if something tragic happens, those funds will be needed at a time when finances will be the last thing on a parent's mind. And if not, then you have given your child a tremendous head start in life for the benefit of his or her own family. I have never heard a story about someone who regretted buying coverage on a child.

Did you know you can purchase a child's policy in many cases for less than \$10 a month? Contact me today to discuss the many policy options for children's plans, including our limited payment permanent life insurance. This Christmas, give your children the gift of Knights of Columbus insurance, a true gift of love.

You can reach me at (941) 923-7912 or via E-mail at Frank.Burns@kofc.org.

Notes From the DGK

Brothers, it's been a pleasure to be part of our St. Joseph's Council these past few years. I've met many Catholic men who all have similar Catholic values and backgrounds. Even though we're all very different men in our own way, we're part of an organization that brings out our Catholic, God given graces and related values which we then share, while providing support for our fellow man in the name of the Knights of Columbus.

Having been involved with this council bulletin for that past two years, I sometimes hunt down the council bulletins and newsletters of other councils throughout the United States. I do this with the hope of finding ways to improve our own. Communicating with brother Knights I believe is one necessary key to the council that is successful in funding projects that we believe are charitable causes that would be considered worthy by Father McGiveny. Even though we value the friendship and camaraderie we have with council gatherings, I think it's safe to say that the main reason we are part of the Knights of Columbus is to live our faith in giving to those who are not as fortunate as we are. The first degree is Charity, but it takes Unity to make this a reality, at least in a group setting as ours with the Knights.

Due to our location, most of us are from different parts of the country and bring different flavors of communication to the table. And, being men, our ego's can bruise easily, and cause us to easily stray from our mission as Knights of Charity, Columbus, and of course Knights that do Gods work. In this regard I'm a battered man, like many of us, trying my best to stay the course, support our mission and prioritize daily time constraints, and responsibilities so we have at least a small slice of our lives to dedicate to this worthy and charitable organization that does so much for our church, school, and community.

We've got a busy season ahead of us, and if we don't get a few more players to step up to the plate and swing the bat, we might not have a game to play. Charity, Fraternity, and Unity are the keys to our game, and regardless who the coaches are, if we don't play the game, many needy and less fortunate in our community will be the real losers.

Grand Knight Report November 2015

Brothers please welcome our newest Brother Ernesto Roundero.

Father Paul D'Angelo did a fabulous job with the Men's Retreat on Oct 3rd there were over 60 men there for the retreat from Naples to Gainesville. Thanks to all our Brothers that came, see the pictures on the council web site. A Big thanks to Brother Charlie Mucciarone for chairing the retreat. Hopefully Father D'Angelo will do another for us.

Our School Carnival starts on Thursday, November 12th and continues through Sunday November 13th. This is a BIG money maker for our school. We will need lots of help this year especially with the addition of another day. Brother Al Connizzo has signup sheets to sign up for. This year the school has asked the Knights to run the Food Booths and to be Food Booth Captain's (making sure they are set up correctly with everything they need, closed correctly, cleaned and stocked etc.) along with doing the cooking of the food. We also need help setting up tents on Wednesday evening and taking them down after the Carnival is over on Sunday.

As we approach Veterans Day, all are reminded of the enormous sacrifice that the Veterans of our Arm Force has mad to preserve our liberty, and to free others from oppression in their own countries.

On Wednesday November 11, 2015 Veterans Day will be observed by a celebration of the Mass in the Amphitheater at the Sarasota National Cemetery. Open ceremonies begin at 2:45pm. with Mass at 3:00pm. And Bishop Dewane will be the celebrant. I look forward seeing you on Veterans Day.

Vivat Jesus,

James Vanderhorst, GK
