Field Agent Report

Money to Live On or to Leave On?

As your life progresses, your priorities will likely shift. Many major life events, such as weddings, births, education costs for children, et cetera, will eventually be behind you, and your focus will shift to those golden retirement years when you can enjoy your hobbies, grandchildren, travel, or simply relax at home.

During my career as a field agent, I've had members ask me what they should do with a sum of money they are looking to put somewhere for safe keeping. First, I tell them that there is no safer place to put their money than with the Knights of Columbus. No one has ever lost money using our retirement or insurance products. There are no risks assumed by you, the members. Second, I ask the question: Is this money to live on or to leave on?

I ask this because the answer makes all the difference. If you want a guaranteed flow of cash in retirement, one of our annuity options might meet your needs. If this money is intended as a gift for children or grandchildren, to assist your wife in the event of your passing, or to give to your favorite charity, a Single Premium Whole Life plan might be the best benefit we can offer.

When it comes to decisions about your finances and your family's future, don't leave things to chance. Discuss the options with a brother Knight who knows how to help – someone who has helped many other Catholic families just like yours; someone who can offer you life insurance, long-term care, disability income, and retirement products backed by the strength and security of an insurance provider rated among the best in the industry.

Call me today to set up a time to meet. You'll only regret that you didn't call sooner.
